Academic Year : 2017-18

This session was titled, “visit to Slum villages to explain the concept of cleanliness at NaraKodur, This was organized by NSS Committee of Vignan Pharmacy College on 07-10-2017.

Cleanliness is an important quality of life. In fact, it is a habit which is often considered just next to godliness. Cleanliness is a habit not related to the wealth of a person, rather it is a habit which depicts the qualities a person is enriched with. To make the children aware of such a necessary quality of life, we have come up with short essays for children along with some long essays as well. These essays will not only make the children irrespective of their classes understand about cleanliness and its advantages

They told importance's of cleanliness to the people living in the villages. Around 35 students participated in the awareness session. This event was organized under the leadership of NSS coordinator Mr. N. Narasimha Rao.
